**Disclaimer of liability**

If the Blum fittings are installed according to instructions and on suitable glass and mirror fronts, they will meet the requirements concerning the stability of the connection.

This is monitored through internal and external testing.

As the adhesive and/or the adhesive process are beyond our control, Blum cannot accept liability for claims arising from the failure or malfunction of this/these process/es.

It is recommended that the adhesive be applied by an experienced glass manufacturer.

**Note**

Only recommended for wall cabinets due to lower load bearing limits!

## Planning Bathroom mirror cabinets with fronts that protrude all the way around

Hinge dimensions and gap calculation based on factory setting (mounting plate 175M4C20N)

### Note

Please contact your glass or front supplier concerning the selection and use of the adhesive in attaching the mounting/adhesive plate to glass and mirrors.
