

# BUCKLE UP. ONE-CLICK DRAWER SLIDE INSTALLATION IS FAST...AS FAST AS CLICKING YOUR SEATBELT

**Lockdowel One-Click Drawer Slides.  
Make your life easier.**

Align drawer slide with ChannelLock fittings. Insert and slide forward to install. Done.

## The Fastest Drawer Slide Installation Ever!

Do you dread drawer slide installation? Not any more. Lockdowel's ONE-CLICK drawer slides make the process simple, accurate, and incredibly fast. They come with our factory-installed, patented ChannelLock fasteners.

Our drawer slides are the fastest solution on the market and require no tools. Our 3D adjustor clips make your undermount alignments perfect. Simply insert and slide forward to complete. It's that easy! No screws, no adjustments, no regrets.

The One-Click drawer slides and all of our patented ChannelLock fastener system products offer remarkable savings in time and labor. Everything is easier with Lockdowel!
